status, sexual orientation or alienage of slipstream sports, who manage cannondale-garmin, said in a statement:

lines form early and seats are given on a first-come, first-serve basis until we are at full capacity

you have a better chance at savings thinning areas (rather than already bald ones) because they haven't been as damaged by mpb yet

sorta like saying "homosexuals have a higher rate of suicide" as some deluded conclusion that it's the homosexuality and not the public's backlash of it.
